October 2011

Dear Director/Coordinator,

We would like to extend an invitation to exhibit at LDA's **Finding Your Future: Postsecondary Opportunities** program on Saturday, February 25, 2012 at the Hilton Chicago, Chicago, Illinois. The program is an important part of LDA's International Conference. LDA provides this program free of charge to exhibitors and attendees.

**NEW THIS YEAR! Transition Table Talk from 8:30 AM – 9:45 AM**

Participate in several mini-sessions with professionals and practitioners, knowledgeable in the aspects and elements of transition to postsecondary education and training opportunities. Attendees will be able to choose three of the topics listed below during the time period.

The exhibit area, featuring a variety of postsecondary options, including educational institutions, employers and relevant community agencies, will be open from 10:00 AM – 12:15 PM. Generally, each exhibitor has a 6 foot table for displays and/or handout materials. Attendees are given ample time to visit exhibit tables and ask questions. The area is sure to be well visited, not only by conference attendees, but also by local adolescents and adults with learning disabilities and their families, who will be invited to attend. Chicago is a very attractive venue for the conference and we are expecting a good turnout.

If your organization wishes to exhibit at the **Finding Your Future: Postsecondary Opportunities** program, please complete the enclosed form and return it to us by November 15, 2011. Your organization's name and location will be included in our final conference program book.

We are looking forward to hearing from you soon and to seeing you in Chicago.

Cordially,

*Andrea Turkheimer*
